At the Berkshire Food Co-op, we do our best to ensure that **EVERYONE** is welcome at the Co-op.

We pride ourselves on being a store that offers great food in a setting that is welcoming and inclusive. We concentrate on local, organic and whole food options as well as sustainably produced and packaged products.

We understand that, while many community members would like to make these shopping choices, some simply cannot afford to do so. We want delicious, healthy and nutritious food to be accessible to more of our neighbors.

Previously, we did that with our Health Eats at Lower Prices (H.E.L.P.) program.

We are announcing changes to the program to help those who are currently in need.

Beginning **April 1, 2020**, we will implement our new **Community Discount** which will replace the H.E.L.P. program. The Community Discount is a 10% reduction on all food purchases (excluding alcohol) every day. This is intended for those individuals and families facing food instability.

Who is eligible for the Community Discount?

If you have a valid Supplemental Nutritional Assistance Program (SNAP) card, you're eligible! It's that simple. You don't need to be an Owner to be eligible.

If you're eligible, you can sign up for the Community Discount at any time during the year by filling out a form and presenting a valid SNAP card to a Customer Service Supervisor or Manager. If you're an Owner or Associate, your discount will be applied to your Ownership card. If you are not an Owner, you will be issued a Community Discount card, and then you're ready to go. We only need to see your valid SNAP card to prove eligibility. No financial information will be saved at the Co-op.

I have the H.E.L.P discount now. What does this mean for me?

If you have been receiving the H.E.L.P. discount, you will need to renew your eligibility. Don't worry, it's easy! All you have to do is present a valid SNAP card to a Customer Service Supervisor or Manager before April 1, and your discount will not be interrupted.

If you don't have a valid SNAP card, you do not qualify for the Community Discount, even if you've received the H.E.L.P. discount in the past. We're formatting this discount to focus on helping those in our community with food-related financial need to access good, healthy food.

How does the yearly renewal work?

Your new Community Discount will expire on March 31, 2021 regardless of when you enrolled. We'll remind you in February 2021 about renewing your eligibility so you'll have time to do so before the deadline of April 1, 2021. As a Community Discount recipient, you will be asked to renew your eligibility by April 1st every year.

Does this change anything about the Senior Discount?

Rest assured, the Senior Discount will remain the same. We ask seniors over the age of 65 to self-identify your qualification for the discount at checkout on Wednesdays for 10% off your total purchase. While there are many benefits to being an Owner of the Co-op, membership is not required to get the Senior Discount.

The board of directors and staff of the Berkshire Food Co-op are pleased that we can continue to perform a vital bridge between nutritious, wholesome food and members of our community who are in need.

If you have any questions about the Community Discount, or just want to talk about it, feel free to call or email.
