We were created by and for families in the Berkshires to bring real food to our friends and neighbors.

Everything we sell is thoughtfully chosen, so you can rest assured that it's good for you and for our community.

The savings in this flyer are made possible through our membership in the National Cooperative of Grocers (NCG).

NCG is a business services cooperative for retail food co-ops located throughout the United States. They help unify natural food co-ops in order to optimize operational and marketing resources, strengthen purchasing power, and ultimately offer more value to natural food co-op owners and shoppers everywhere. Find recipes and more information about your food and where it comes from at www.strongertogether.coop.
